VOL. 11.

FRANKFORT, KENTUCKY, SEPTEMBER 25, 1861.

No. 47.

THE TRI-WEEKLY COMMONWEALTH
Will be published every Monday, Wednesday and Friday, by
A. G. HODGES & COMPANY,
At FOUR DOLLARS PER ANNUM, payable in advance.

The Weekly Commonwealth, a large mammoth sheet, published every Tuesday morning at TWO DOLLARS PER ANNUM, in advance. Our terms for advertising, either in the Tri-Weekly or Weekly Commonwealth, will be as liberal as in any of the newspapers published in the west.

The Frankfort Commonwealth.
A. G. HODGES & CO., PROPRIETORS.

J. H. JOHNSON, Editor.

The Proprietors of the Commonwealth, grateful for the generous patronage which has been bestowed upon them, are determined to furnish their patrons a journal which shall be unexcelled in any of the departments which comprise a first class newspaper.

Published at the Capital of the State, it will be enabled to furnish its readers with the latest intelligence of the actions of the higher courts and of the various departments of the State. It will also contain the latest telegraphic news of stirring events, and also of the New York, Cincinnati, Louisville and New Orleans markets.

In politics the Commonwealth will be conservative, occupying a middle and antagonistic ground in reference to the two extremes. The old parties broken up, and old issues virtually dead, the vital question at present is Union or disunion. The Commonwealth is for the Union, believing it to be the greatest safeguard for our rights, as well as our most effective auxiliary in our efforts to obtain redress for our wrongs. Its conductors do not regard disunion as a remedy for any of the wrongs of the South, but rather an aggravation. It will contend for the equality of the States in the Union, and for the absolute non-interference by Congress with the domestic affairs of the States and Territories.

We shall aim to make the Commonwealth an acceptable and appropriate freestone companion. It will contain selections from the choicest literature of the day, prose, poetry, &c.

The Weekly will be printed on extra double medium paper, in new and beautiful type. Terms, in advance, for the Tri-Weekly, \$1 per annum. Terms, for the Weekly \$2 per annum.

AYER'S Ague Cure,

FOR THE SPEEDY CURE OF Intermittent Fever, or Fever and Ague, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache, or Bilious Headache, and Bilious Fevers, indeed for the whole class of diseases originating in bilious derangement, caused by the Malaria of miasmatic countries.

No one remedy is louder called for by the necessities of the American people than a sure and safe cure for Fever and Ague. Such we are now enabled to offer, with a perfect certainty that it will eradicate the disease, and with assurance, founded on proof, that no harm can arise from its use in any quantity.

That which protects from or prevents this disorder must be of immense service in the communities where it prevails. Prevention is better than cure, for the patient escapes the risk which he must run in violent attacks of this baleful distemper. This "Cure" expels the miasmatic poison of Fever and Ague from the system, and prevents the development of the disease, if taken on the first approach of its premonitory symptoms. It is not only the best remedy ever yet discovered for this class of complaints, but also the cheapest. The large quantity we supply for a dollar brings it within the reach of every body; and in bilious districts, where Fever and Ague prevails, every body should have it and use it freely both for cure and protection. It is hoped this price will place it within the reach of all—the poor as well as the rich. A great superiority of this remedy over any other ever discovered for the speedy and certain cure of Intermittents, is that it contains no Quinine or mineral, consequently it produces no quinine or other injurious effects whatever upon the constitution. Those cured by it are left as healthy as if they had never had the disease.

Fever and Ague is not alone the consequence of the miasmatic poison. A great variety of disorders arise from its irritation, among which are Neuralgia, Rheumatism, Gout, Headache, Blindness, Toothache, Earache, Catarrh, Asthma, Palpitation, Painful Affection of the Spleen, Hysterics, Pain in the Bowels, Colic, Paralysis, and Derangement of the Stomach, all of which, when originating in this cause, put on the intermittent type, or become periodical. This "Cure" expels the poison from the blood, and consequently cures them as it does. It is an invaluable protection to immigrants and persons traveling, or temporarily residing in the malarious districts. It taken occasionally or daily while exposed to the infection, that will be exerted from the system, and cannot accumulate in sufficient quantity to ripen into disease. Hence it is even more valuable for protection than cure, and few will ever suffer from Intermittents, if they avail themselves of the protection this remedy affords.

Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSIC, are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitality. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health and energy restored by a remedy at once so simple and inviting.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis his American Almanac, containing certificates of their cures and directions for their use in the following complaints: Costiveness, Heartburn, Headache arising from disordered Stomach, Aneurism, Indigestion, Pain in and around the Neck, Dropsy, Flatulency, Loss of Appetite, Jaundice, and other kindred complaints, arising from a low state of the body or obstruction of its functions. They are an excellent alternative for the removal of the blood and the restoration of tone and strength to the system debilitated by disease.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every other medicine of its kind is too apparent to escape the notice of its users. Its virtues are known to the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many former remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted that can never be forgotten, and produced cures too numerous and too remarkable to be forgotten.

AN IMPORTANT DISCOVERY!!
For the cure of CONSUMPTION, BRONCHITIS, COUGHS AND COLDS.

THE MAKORA ARABICA.
DISCOVERED BY A Missionary while traveling in Arabia.

All who are suffering from Consumption should use the MAKORA ARABICA, discovered by a missionary in Arabia.

All who are threatened with Consumption should use the MAKORA ARABICA, discovered by a missionary in Arabia.

All who are suffering from Bronchitis should use the MAKORA ARABICA, discovered by a missionary in Arabia.

All who are suffering from Sore Throat, Coughs, and Colds, should use the MAKORA ARABICA, discovered by a missionary in Arabia.

All who are suffering from Asthma, Scrofula, and Impurities of the Blood, should use the MAKORA ARABICA, discovered by a missionary in Arabia.

It cures Consumption. It cures Bronchitis. It cures Sore Throat, Coughs and Colds. It cures Asthma, Scrofula, and impurities of the blood.

This unequalled remedy is now for the first time introduced to the public.

It was providentially discovered by a missionary while traveling in Arabia. He was cured of Consumption by its use, after his case was pronounced hopeless by learned physicians in Europe.

He has forwarded to us, in writing, a full account of his own extraordinary cure, and of a number of other cures which have come under his observation, and also a full account of the medicine.

At his request, and impelled by a desire to extend a knowledge of this remedy to the public, we have had his communication printed in pamphlet form for free distribution. Its interest is enhanced by an account which he gives of some of the scenes of the Syrian massacres, which he obtained from those who were sufferers in that awful tragedy. This pamphlet may be obtained at our office, or it will be sent free by mail to all who apply for it.

We import the MAKORA ARABICA direct from Smyrna, through the house of Clean & Gyppus, and we have always on hand a full supply put up in bottles, ready for use, with full directions for its use.

Price one dollar per bottle. Sent by mail, on receipt of price and 24 cents for postage. For sale wholesale and retail by **LEEDS, GILMORE & CO.,** 61 Liberty street, New York.

GRANT GREEN, Auditor, H. WINGATE, Agent, FRANKFORT, KY.

TO THE JUDGES OF THE COUNTY COURTS OF KENTUCKY.

In pursuance of an order of the Military Board, it is my duty to call in all Arms, Equipments, and Munitions belonging to the State now in the hands of lawfully organized Military Companies.

Proclamation by the Governor.

WHEREAS, certain arms belonging to the State of Kentucky, intended for distribution to the Home Guards, in equities of the First and Second Districts, under an allotment made by the Military Board, were lately seized by lawless persons, and taken away from their place of deposit in Mayfield; and it being reported to me that a portion of said arms have been distributed among individuals in Fulton county, contrary to law and the authority of the Military Board; and said Military Board having passed the following order:

MILITARY BOARD, Frankfort August 1, 1861. On motion of Gen. Dudley— Resolved, That his Excellency, the Governor, be requested to take such steps as he may think best calculated for the recovery of the public arms forcibly taken from Mayfield, and carried to Fulton county.

A copy attested: P. SWIGERT, Sec'y. Now, therefore, I, BERNARD MAGOFFIN, Governor of the Commonwealth of Kentucky, do now issue this my proclamation, commanding every citizen or other person within the jurisdiction of this State, having in his possession any arms or munitions thus unlawfully seized as above stated, forthwith to deliver up the same to the Judge of the County Court of the county in which he resides, to be returned by said Judge to the State Arsenal at Frankfort; and I make this appeal to the loyalty of such citizens in good faith, believing that they will promptly manifest such a signal proof of their fidelity to the laws and authorities of the State; at the same time warning all concerned that if this order be not promptly obeyed, my duty will require the most vigorous enforcement of the laws against all disobedient offenders.

IN TESTIMONY WHEREOF, I have hereunto set my name, and caused the seal of the Commonwealth to be affixed. Done at Frankfort, this 24 day of August, A. D. 1861, and in the 70th year of the Commonwealth.

Ritchie county, Virginia, at least, is not answerable to the charge of dilatoriness in sending men to the Union army. The Democrats state that five hundred men have already enlisted in that little county, and recruiting is still brisk. Her majority for Union was overwhelming, but only seven hundred Union votes were polled in the county. Western Virginia is now doing bravely for the Union.—*Low. Dem.*

The FRANKFORT COMMONWEALTH will be published daily during the approaching session of the General Assembly of Kentucky. A competent reporter will be in attendance in each House, and an accurate report of the proceedings of each day will be given the ensuing morning. The Commonwealth will thus afford the most convenient medium of communication between the members of the Legislature and their constituents, keeping the latter informed not only of the manner in which their own local interests are represented, but of the general course of legislative proceedings, and saving to the former the trouble and labor of a great deal of private correspondence which would otherwise be indispensable. Beside reports of the proceedings of each House of the Kentucky Legislature, the Commonwealth will furnish a summary of all the more important items of the current news of the day, foreign and domestic, war, political and miscellaneous.

The important subjects which will claim the attention of the General Assembly are of vital importance to all the citizens of the State of Kentucky, and we shall
